We had a great month full of exciting new things! We will be sending home a new "homework bag". We also have a class reading buddy book bag. Our homework backpacks are very relaxed and at-your-child's-pace. If you don't have time or they don't want to do something; please don't stress. Return the bag OR keep it an extra day. Regardless, when the bag returns they'll receive a sticker on their folder.

Weekly readers are sent home every week. When your child completes it, they will receive a sticker on their folder. Again, very little pressure and do what you can.

Pastor Andrea gives something to the students almost every Thursday. They might come home and look like a "not colored/unfinished craft" but, it was something Pastor Andrea wanted them to bring home to represent the story or topic. Color it, talk about it, do as you wish but, it doesn't need to be returned. It's for your child to remember the bible story.

Some Other Things:

Applebee's gift card fundraiser starts this week! Please see the information in a separate flyer.

VPK parent/teacher conferences usually happen at the end of this month but, we are currently trying to adjust the way we're doing it this year. We'll give you more details soon.

There will be a Scholastic book fair during the first week of November. It will also be on the November newsletter. Your child will create a "wish list" when we bring the class up there during the book fair. You can purchase those books, or others. Scholastic flyers will still be sent home regularly every month. You'll notice the teacher listed online is Ms. Davis. That's Ms. Kim, our Kindergarten teacher, she takes care of all the school book orders!

We are celebrating several birthday's this month. We will be sending home a special note for some helpful hints. ☺
