Winter Wonderland!

Welcome Back!!!

Thank you for all of the Christmas wishes and blessings!

We hope you had a very special holiday celebration with your family and friends! Now that the new year has begun, we expect that the next few months will go by very quickly.

We will be learning about 4 more letters, and continuing with name recognition. We work on our prayer journals and Brown Bear Books each month; and we will do a short unit on Winter Activities! It'll be fun!
