The VPK program is a totally FREE program and we cannot assess any fees for the VPK program whether for supplies, field trips, food items or even our Graduation. If you choose to donate supplies know that it is greatly appreciated and are tax deductible because we are a 501 (c) (3) non-profit organization.

If you choose to donate school supplies, you can bring them to Open House or on the first day of school. These supplies usually last until December. There will be opportunities to bless your child's class again at the beginning of the new year.

Thank You!
